

## meeting the spiritual needs of **Michigan's Upper Peninsula**

### **the need.**

Approximately 95% of the people living in Marquette County do not attend Sunday church services. Substance abuse, physical abuse and depression are widespread, and broken families are extremely common.

The Upper Peninsula is a place that sorely needs healing found only in Jesus Christ.

### **the retreat center.**

The mission of UPBC is "To introduce people to Jesus Christ and to encourage them to grow more like Him through a camping and outdoor experience." This mission will drive our year-round ministry in the following ways:

- The development of local ministries
- UPBC-programmed retreats to support believers and churches
- Support of churches by hosting their groups and programs
- UPBC-programmed outreach through retreats and events
- Outreach by hosting non-church retreats

### **the fundraiser.**

We think there is significant value gained by executing fundraising activities that engage many of the individuals already involved in the ministry of UPBC.

To accomplish these fundraising objectives in an exciting fashion, we'll be hosting our 2<sup>nd</sup> UPBC Silent and Live Auction on Saturday, May 8, 2010.

**Please consider Donating an Item or Service to Auction 2010, and help us raise valuable funds for this ongoing ministry.**
